

CASM v2.0 to 2.1 Change Log

On February 2022, we created a point release (2.1) to the DevOps Institute Certified Agile Service Manager (CASM) course, primarily to update terms in the ASM Taxonomy, update video link in Module 4, minor improvements to formatting, update references to annual reports to the latest versions in the VAR. Here's the list of changes made:

Slide Number	Slide Title	Change
5	DevOps Institute: Advancing the Humans of DevOps	Instructor Notes edited to include all new DevOps Institute community data
92	Servant Leadership	CASM 2.0 Slide 92 has a video link no longer working. New link for the v2.1 slide is: https://youtu.be/7mml-cwgUdQ
210-214	About DOI Slides	Updated with new DOI updates & offerings
